Invitation Eisenbarth 8pt5x4 FINAL.PDF

All,

This is the community invite we would like to produce today. No mention of any specific Unified Command member since forms of participation are still being determined by each respective agency.

We've also included the new incident response website URL on this response, per a request from a Unified Command member.

In order to meet some timing needs, we are proceeding with printing this invite today.

Please let me know if you have any questions.

Regards,

Jim Schwartz
